

2nd International Conference on Information Technology and 8th National Conference on Information Technology June 28-30, 2010, Gdansk University of Technology, Gdansk, Poland

International Program Committee

Chairwoman

Prof. Alicja Konczakowska
Gdansk University of Technology, Poland

Dr Thomas Bourgeau
Laboratoire d'Informatique de Paris 6, France

Dr. Nicolas T. Courtois
University College London, United Kingdom

Dr. Hakima Chaouchi
University Sud-Paris, France

Prof. Krzysztof Goczyla
Gdansk University of Technology, Poland

Prof. Włodzimierz Janke
Council for Science, Ministry of Science and
Higher Education

Prof. Ryszard Katulski
Gdansk University of Technology, Poland

Dr. Jerzy Konorski
Gdansk University of Technology, Poland

Prof. Bogdan Kosmowski
Gdansk University of Technology, Poland

Prof. Demetres Kouvatsos
University of Bradford, United Kingdom

Prof. Janusz Kowalik
Mathematics and Computer Science,
Washington, State University, USA

Prof. Henryk Krawczyk
Gdansk University of Technology, Poland

Prof. Marek Kubale
Gdansk University of Technology, Poland

Dr. Nicola Marchetti
Aalborg University Center, Denmark

Prof. Michał Mrozowski
IEEE Fellow, Gdansk University of
Technology, Poland

Prof. Asim K. Pal
Indian Institute of Management, Calcutta,
India

Prof. Krzysztof Pawlikowski
University of Canterbury, New Zealand

Prof. Antoni Rogalski
Military University of Technology, Warsaw,
Poland

Prof. Dominik Rutkowski
Gdansk University of Technology, Poland

Prof. Josef Šikula
Bmo University of Technology, Czech Republic

Prof. Andrzej Stepnowski
Gdansk University of Technology, Poland

Prof. Violet Syrotiuk
Arizona State University, USA

Prof. Stanisław Szczepański
Gdansk University of Technology, Poland

Prof. Wojciech Szpankowski
Purdue University, Department of Computer
Science, USA

Prof. Ryszard Tadeusiewicz
AGH University of Science and Technology,
Krkow, Poland

Prof. Bogdan M. Wilamowski
Auburn University, Department
of Electrical&Computer, USA

Prof. Bogdan Wiszniewski
Gdansk University of Technology, Poland

Prof. Józef Woźniak
Gdansk University of Technology, Poland

Prof. Jacek Żurada
University of Louisville, KY, USA

Call for Papers www.it2010.gda.pl

The 2nd International Conference on Information Technology ICIT'2010 along with 8th National Conference on Information Technology IT'2010 is being organized by Gdansk University of Technology and IEEE Poland Section. It constitutes a forum for engineers, scientists in academia and industry organizations to present their latest developments with references to the application of high technology and for exchanging ideas allowing for transfer of technologies and innovations.

Conferences will be held at the Gdansk University of Technology (GUT), the largest technical university in Northern Poland and the most renown. Conferences venue is the new building of the Faculty of Electronics, Telecommunications and Informatics, which is the first fully-intelligent building at the University. Conferences are being organized as a part of the commemoration of GUT's 65th Anniversary.

Call for Papers

Conferences are seeking papers in the conference topics listed below. The conference papers will be presented in plenary sessions with keynotes and structured sessions with invited and contributed papers. The poster session will be also organized.

The official language of the ICIT '2010 is English. The official language of the IT '2010 is Polish.

Call for Exhibitors

Conferences are seeking companies and organisations for exhibition.

Conference Topics

- Analog and Digital IC Design
- Artificial Intelligence
- Algorithmic Issues in Information Technology
- Bioinformatics
- Control Engineering and Robotics
- Cyber Space Security
- Data Mining
- Digital Programmable Devices
- Electronic Devices Modeling
- Electronic Documents and Digital Libraries
- Embedded Systems
- Geoinformatics
- High Performance Computing
- Intelligent Information Services
- Knowledge Engineering and Management
- Multimedia Systems
- Methodologies for Developing IT Products
- Mobile Internet and Wireless Systems
- Pervasive Computing
- Photonics
- Sensor Networks
- Signal Processing
- Virtual Reality Modeling
- VoIP Technology

Registration and Abstract Submission

Registration is available on the website: <http://www.it2010.gda.pl>
After registration, the on-line abstract submission is available.

The abstract should contain no more than 200 words. It should begin with the complete title, author(s) name(s), e-mail address and affiliation, conference topic.

Authors of accepted abstract will be acknowledged via e-mail.

Abstract Deadline: 30.12.2009 **Final Paper Submission Deadline:** 15.03.2010
Abstract Acceptance Notification: 30.01.2010 **Deadline for early registration:** 30.04.2010

Conference 28-30.06.2010

Publishing Information

All accepted papers will be published in the conference proceedings and distributed to conference attendees. Additionally they will be also included in IEEE Xplore and the EI Compendex.

For more information on the 2nd ICIT '2010 and 8th IT '2010, please refer to the website www.it2010.gda.pl
